17. County Council report (YP)

18. Future Meetings

- 18.1 Date of the next meeting, Monday 29th November 2021, in the Supper Room at the Memorial Hall.

14.2 Report about Meeting with Streetlighting Engineers and Gary Hudson on 5th October

Richard Good, Beverley Rutter and I attended a meeting at Overton Garth to discuss this with an engineer and Gary Hudson.

The main sticking point seems to be the land is owned by a mixture of people and organisations. So, the first thing that needs to be done is establish who owns the location that we want to place the streetlight.

There seems to be a solar powered option for the streetlight, which will be more expensive to install for RDC but cheaper for the residents as there will be no bill. Also, it was advised that RDC will want Reeth PC to agree to the maintenance of the light which Gary estimated would be about £50.00 every 5 years, however I asked him if he could confirm this officially, so we have it for our records.

I am waiting for Gary to come back with further information and news.
